The Church Ministry course of study is a generalized field of study preparing one for many areas of ministry in the local church, whether it be Pastoral, assisting the pastor, missions, music, bus, or youth. This course of study is formulated to bring those that complete it a higher awareness of the needs, fundamentals, and applications of leadership as well as equip them with the tools that will help them effectively assist their pastor and church.

A Tuition Free Education!

“For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:”

Ephesians 4:12

Our Passion

A few years ago the Lord placed a strong desire in my heart to take the Biblical foundation I had received in my undergraduate and postgraduate studies and make it available to local leaders and laymen. Many pastors lay down every night exhausted with a familiar verse on their weary minds, *“the harvest truly is plenteous, but the labourers are few.”*

Friend, I am convinced that the Lord of the harvest has already placed the laborers we desperately need within our congregations. Many believers have the desire, but may lack the training and confidence that comes with a Bible education. Our passion is that God will use this Bible institute as a tool to raise up and equip the next generation of godly leaders.

“For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:”
Ephesians 4:12

Our Plan

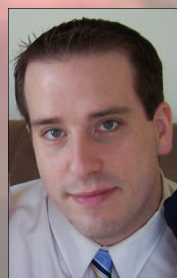

Here at the Delaware Institute of the Bible we believe the most life changing results are seen when both the academics and applications are emphasized. James 1:22 exhorts us to be *“doers of the Word and not hearers only.”* Our plan is that as students are equipped in our classroom, they will become more willing and effective while ministering in their local church.

Our People

The staff of the Delaware Institute of the Bible have dedicated their time and ability to *“teaching others also.”* Our goal is not merely to see students graduate, but to see lives challenged and local churches changed. We consider ourselves *“your servants for Christ sake.”*
